

To the FCC: Please do not mess with the Wi. Do Not Call List, Wisconsin has long had a tradition of being Progressive. In this legacy the Do Not Call List is keeping with our heritage. Much as in the same ways the 13 colonies had the Don't Tread On Me flag, Wisconsin has gone to a much quieter state without all the SPAM calls coming in day or night. Big brother has been doing little to make me happy the last few years. As a taxpaying citizen of this country you can do me the favor of letting Wisconsin enjoy the Do Not Call Lists. Now if you could do something about the franking privileges enjoyed by politicians so I didn't have so much junkmail from Washington DC and Statehouses telling me things that I usually know are a load of ... Thank you, Mark Chambers
